Nervous Prostration

is frequently so sudden that the person loses the use of the limbs, in fact, for a while they appear para- (lyzed. This utter giving out of the whole body at once is so alarming that the patient sometimes sinks into lethargy from shock. Something has to be done at once.

Pabst Malt Extract The Best Tonic

is an instant invaluable remedy for all cases of nervous prostration. It requires no help for its digestion, immediately tones up the nerves, counteracts the sinking and faintness and warms the whole system, creating renewed action of the heart, sending fresh pulses of blood to the brain and putting the sufferer into a condition of readiness to begin once more on a better foundation.

NEW FALL MILLINERY.

This promises to be an immeuse season for popular trimmed dress hats and sailors, with the coming of cool days. What is so unseasonable as the mid-summer hats? Our huyer has just returned from the market with a beautiful assortment of ready to-wear fall hats, for ladies, misses and children.

We offer better values at lower prices than can be duplicated elsewhere. We have placed our goods at such popular prices as to place them within the reach of even the most economical buyer.

The hats are very pretty and universally becoming this season. The Golf Sensation-St. Clair, Clyde, Tusean any many others too
